Sub: Generation of E-Way Bills under GST rules

Sir,

Food Corporation of India vide letter dated 02-07-2018 has again informed this office that due to non-generation of E-Way Bills they are facing problems while taking delivery of gunny at the consignee depots. It may be mentioned that after receipt of similar letter from FCI earlier, this office had requested vide letter dated 07-06-2018 to all jute mills with a copy to CONCOR to generate E-Way Bills before dispatch of gunny bales to various FCI consignee destinations.

In order to ensure compliance of generation of E-Way Bills by jute mills, this office is advising CONCOR not to lift goods from jute mills if E-Way Bills are not generated by them.

Yours faithfully,

(Dipankar Mahto)

Dy. Jute Commissioner
