No. Jute (Mktg)/42/2004

Date: 26-07-2018

To  
All Jute Mills.

**Sub:** Lifting of raw jute from JCI linked with B-Twill allocation.

Sir,

1. In continuation of this office letter of even number dated 10-07-2018 directing the concerned jute mills to lift the defaulted quantity of raw jute from Jute Corporation of India within 15 days from the date of the said letter.
2. Latest information received from JCI indicates that there are some mills who are yet to lift the stipulated quantity of raw jute linked with B-Twill allocation, despite so many reminders. This is a total violation of the provision of the Jute & Jute Textiles Control Order, 2016.
3. Defaulting jute mills are for the last time directed to lift the balance quantity of raw jute from JCI immediately. In case of any report about non-lifting of jute is received from JCI, this office will be forced to suspend PCSOs for the next three (3) months.

Yours faithfully,

(Dipankar Mahto)

Deputy Jute Commissioner
